

Join Local Business Owners for Networking and Learning on September 22

Pacific Crest Group has teamed up with [Filice](#) and [Cypress Partners](#) to form the Marin Business Forum.

Often, as owners we find that we wear too many hats: constantly going from being the owner to sales, to HR and accounting, to web design, etc. The reason for creating the Marin Business Forum is to learn more about how to run our businesses better - from guest speakers and from each other.

For this first gathering, we have put together three guest speakers to talk about finding excellent benefit providers and outsourcing support functions to expert service firms. In addition to having speakers we wanted to provide an opportunity for us to get to know each other. We were able to organize a wine sponsor and raffle prizes for the evening so there's some fun time too!

If you have any ideas and want to get actively involved, please let us know. If all goes well, we will host similar forums each quarter featuring guest speakers who can share their insight in a non-sales fashion that is complementary to learning and bring value to local business owners.

[Please join us and RSVP.](#) We hope to see you there.

- Who = open to all Bay Area Business Owners
- What = Learning and Networking
- Where = Wood Island Office – Auditorium, 80 East Sir Francis Drake, Larkspur
- When – September 22, 5:00 p.m.
-
